Visit of the Minister of Defence, Dato’ Sri Ismail Sabri to
our shipyard in Lumut, Perak on 15th November 2020.

OUR STORY

We were incorporated with a clear aspiration to become a world class shipbuilding corporation in the region.

Gading Marine (M) Sdn Bhd was incorporated with a clear aspiration to become a world class shipbuilding corporation in the region. We aim to be recognised as the preferred solution provider in the marine industry. In the early part of our formation, we faced great challenges in gaining the trusts and confidence of our clients. Despite that, equipped with internationally recognised capabilities, we continue to deliver the best of excellence in ship building, ship fabricator as well as ship maintenance services to our esteemed clients.

Our shared principle and values within Gading Group include continuous improvement and advancement to maintain our reputation in delivering solid performance and excellence.

We build only the state of the art marine certified vessels, providing customised advisory and consultation services at the same time delivering cost effective solutions for defence and security in the marine industry.

We believe that we are on track in becoming the leading solution provider in the region. Specialises in building fast assault and interceptor crafts, we have successfully delivered 6 units of FICs (fast interceptor crafts) to the Royal Malaysian Navy in the span of only 6 months while maintaining high quality services. These FICs were fully fabricated and assembled locally at our shipyard in Lumut, Perak. Gading Marine proven designs have successfully delivered performance, reliability and amenity in ensuring marine security in the region. We have also broaden our horizon in collaborating with an esteemed shipyard in the Netherlands by signing an memorandum of understanding (MOU) to build a bigger capacity naval ships. This is the first of many to come.

With an impressive and reputable portfolio in designing and construction, we strive to be the leader of shipbuilding corporations in the region that are committed to contribute to the security of Malaysia's maritime sovereignty.

G2000 FIC MKII

OUR COMMITMENT

We are committed to the security of Malaysia's maritime sovereignty.

OUR VISION

To be recognised as a provider of quality services in the marine industry.

OUR MISSION

To provide quality services to clients in the marine industry locally and abroad.

Delivering professional, skilled, and integrity-driven services through ongoing resource development.

THREE

Continuously reviewing and enhancing our quality objectives to meet customer needs, business growth, and regulatory standards.

The Founder

Almarhum

Gading Group of Companies was founded by the late Dato' Sri Johari Harun. He was very instrumental in the foundation of Gading Marine Industry.

Through his vast, knowledge and networking skills, he has managed to get Gading Marine Industry to what it is now.

Although he is no longer with us, his guidance, vision and advice remain at the bottom of each and every one at Gading Marine Industry's workforce.

FOUNDER
The Late Dato' Sri Johari bin Harun

The Management

Dato' Ir. Haji Jamalolail & Mr Hj. Baharin were also instrumental in the foundation of Gading Marine Industry. Together with the late Dato' Sri Johari Harun, they combine their knowledge & skills in bringing up Gading Marine Industry to meet the highest standard of shipbuilding & ship repair.

Dato' Ir. Haji Jamalolail Mohd Yatim serves as the Managing Director of Gading Marine Industry (M) Sdn Bhd, a prominent Malaysian shipbuilding company specializing in defense and security vessels. With over 30 years of experience in the marine and shipbuilding industry, he has significantly contributed to Malaysia's maritime capabilities. Dato' Ir. Haji Jamalolail holds a degree in Marine Engineering from the United States and began his career with the Malaysian Marine Department, gaining extensive experience in maritime operations. He is also a certified Classification Surveyor with the American Bureau of Shipping (ABS), underscoring his technical expertise.

Under his leadership, Gading Marine has achieved notable milestones, including the successful delivery of multiple Fast Interceptor Craft (FIC) G2000 MKII vessels to the Royal Malaysian Navy. These vessels, equipped with advanced features such as Remote Control Weapon Stations and capable of speeds up to 52 knots, enhance Malaysia's maritime defense and surveillance operations.

Known for his disciplined and meticulous approach, Dato' Ir. Haji Jamalolail continues to drive Gading Marine towards excellence in shipbuilding, contributing to the nation's defense and maritime industry growth.

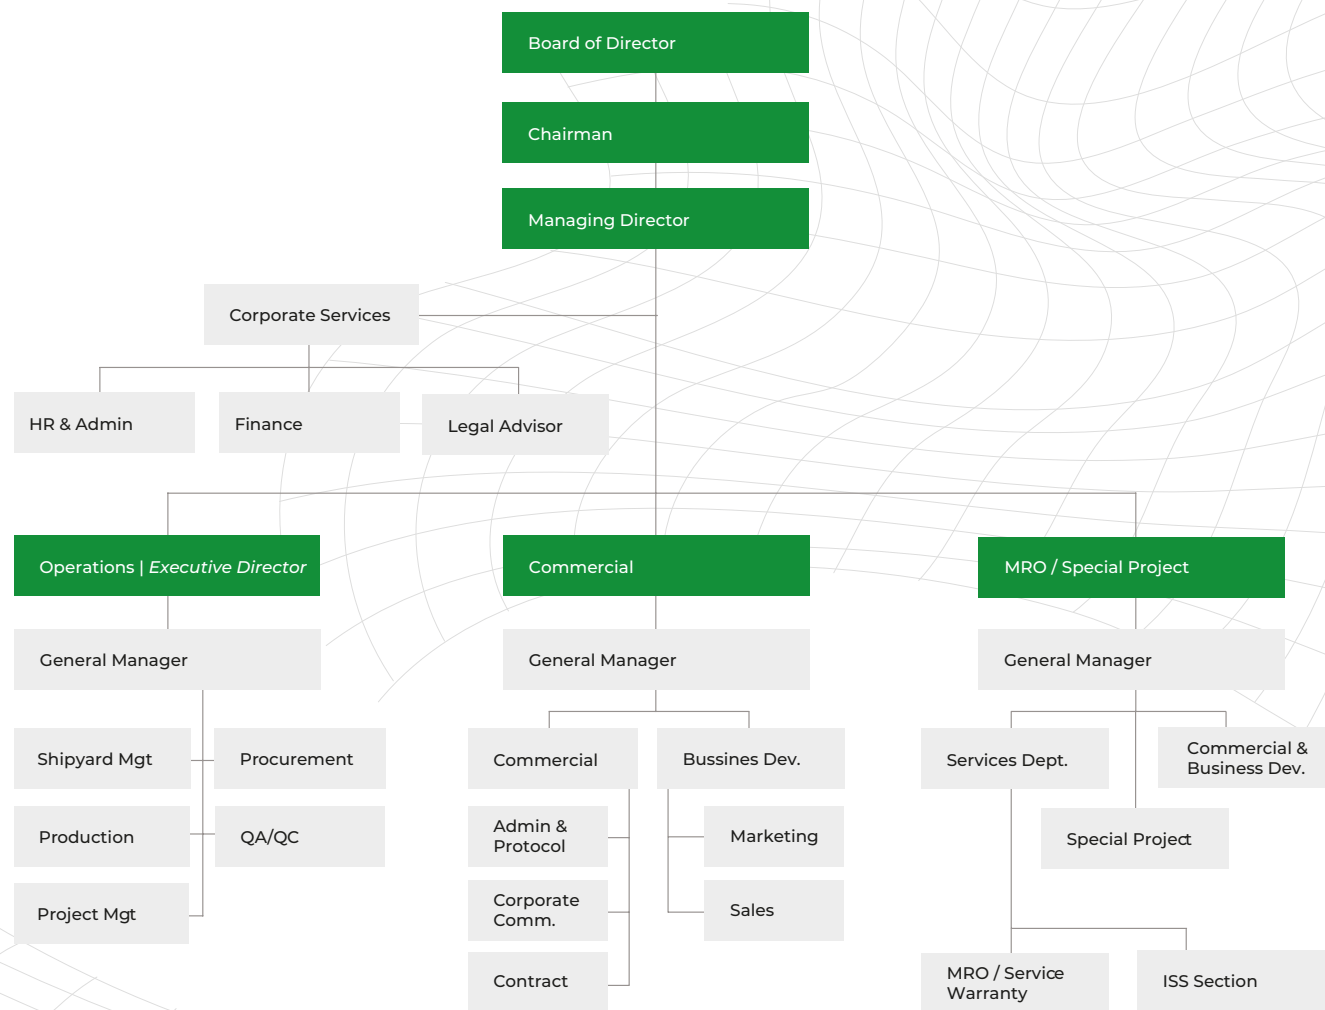

MANAGING DIRECTOR
Dato' Ir. Haji Jamalolail Yatim

EXECUTIVE DIRECTOR
Baharin Baharuddin

Haji Baharin Baharuddin is the Executive Director of Gading Marine Industry (M) Sdn Bhd, a Malaysian shipbuilder focused on defense and security vessels. With over 30 years in the industrial and maritime sectors, he oversees shipbuilding operations and vessel management. He holds a diploma in Mechanical Marine Engineering from Polytechnic Ungku Omar, Ipoh. He began as a Marine Engineer with MISC Berhad and later joined UMW Industrial Power as a Service Executive, specializing in industrial machinery services.

He went on to lead UNH Fabrication Sdn Bhd and Ahead Marine Industry (M) Sdn Bhd, gaining deep experience in fabrication and marine operations. At Gading Marine, his leadership helps drive the company's mission to deliver advanced, marine-certified vessels like the Fast Interceptor Craft (FIC) G2000 MKII.
